

Superior Solutions

PRODUCT SPECIFICATION REPORT

V.I.P. BOWL CLEANER is a thick liquid ready-to-use formula containing mild acids, detergents, germicidal quaternary components, and fresh scented odour counteractants.

V.I.P. BOWL CLEANER

PROD. #2240

Toilet Bowl Cleaner

FEATURES	BENEFITS
Hydrochloric Free	Will not burn holes in carpet or clothing during short term contact.
Mild Acid Formuls	Safer to use and produces no fumes common to hydrochloric acid types.
Clinging Gel	Product clings to surfaces allowing for better contact time, superior cleaning and economical use.
Odour Counteracting	Leaves areas where it is used refreshed and neutralizes malodours in the air.

APPLICATIONS & DILUTIONS

Use on toilet bowls, urinals and other porcelain or enameled bathroom surfaces. Apply V.I.P. to bowl surface or bowl swab. Spread evenly over surface to be cleaned, agitate, let stand for a moment and flush clean.
